ATHLETIC TRAINING
SERVICES.

Athletic training Rooms International was founded on the sound and proven principles of the profession of athletic training. Certified Athletic Trainers have been providing medical care and injury prevention to the highest level athletes for over 75 years.

ATRI provides a bridge to services including injury prevention, performance training, injury evaluation, injury rehabilitation, return to activity testing by ATC's for individuals, teams and organizations that value performing at their very best. If you compete, we can help. Contact us if it is time to reach the next level of human performance.

"IF YOU
COMPETE, WE
CAN HELP"

The United States Department of Labor's Bureau of Labor Statistics lists multiple industries utilizing the talents of ATC's. Most common settings include secondary schools, Olympics, higher education and professional sports (NHL, NBA, NFL, MLB, MLS, and PGA), but ATC's are valuable in the performing arts, labor, manufacturing, US military, distribution, corrections as well as civic, social and amateur sport groups.

PREVENTION INCREASES HUMAN IMPACT AND DECREASES EXPENSE.

Take care of the little things and the big things take care of themselves.

People of all ages and backgrounds can benefit from the professional services of a certified athletic trainer.

Individuals can expect:

- ATRI Product of the Month
- Pre-participation physical exams
- Performance goal acquisition
